

PRIVATE INSTRUMENTAL TUITION 2023 - 2024

The Programme

The International School of Stuttgart e.V. (ISS) offer instrumental lessons after school that are designed to complement our music curriculum. The program is suitable for all students in the Primary Years, Middle Years and the Diploma Years, principally on the Degerloch Campus.

We are very fortunate to have a team of well-qualified instrumental teachers who come to our school daily to give lessons to the students. Many of these teachers are able to teach in both English and German, and some teachers can give instruction in other languages. Please see below what is on offer.

Outline of Contract Between Teacher and Parent

It is important that we ensure the professional services of our teachers by asking parents to sign a contract. This contract protects both the student and the teacher and serves as the official document in rare cases of dispute.

Students will receive on average one lesson per week during the teaching weeks of the ISS school calendar. Monthly installments are due at the beginning of each month and are to be paid from September 2022 through to June 2023 directly to the teacher. Payment options can be discussed directly with the teacher. Please note the conditions of your agreement with the teacher and school.

- In the event of late cancellations or unexpected absences, students will be charged.
- Lessons cancelled by the teacher will be made up at a suitable time.
- Instrumental/vocal teachers are entitled to two (2) sick days per semester.
- If the student is continuously late/absent or has neglected to pay fees regularly, the students place in the program may be cancelled.
- Students are required to give one (1) month's notice when cancelling the contract. If the notice is not given, then the student will be liable for payment for the following month.
- Students enrolled in the Instrumental Tuition Program are expected to participate in an ensemble at ISS, such as Concert Band, orchestra, choir, and the annual musical.
